

## Exclusive Policy Review Program Now Available Only with ISIS Life!

### Life Insurance Policy Reviews

The tools and resources with our exclusive policy review software program provide you with easy-to-follow sales strategies and carrier-approved consumer marketing tools. We offers a comprehensive tool kit that includes:

- Policy Review Prospecting Letters
- Phone Scripts
- Needs analysis checklists
- Beneficiary designation forms available on our website at [www.isislife.com](http://www.isislife.com)
- Consumer brochures from our partner insurance carriers

In addition to these tools, we also provide the following services:

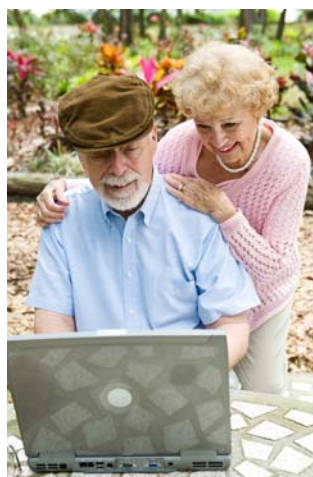

- Processing requests for inforce illustrations
- Assisting you with identifying which policy is best

### Producer Resources
